

EU Digital Services Act (DSA) Transparency Report 2025

In response to obligations under the EU DSA, we are publishing content moderation data for Activision, Blizzard, and King.

Our mission is to bring people fun and connection through our games. Inclusivity and safety for our players is a top priority, and we continue to take proactive and essential steps to invest in cutting-edge tools and resources to foster fun, welcoming, and safe communities.

About these reports:

The EU has introduced mandatory reporting under the DSA to enhance accountability and transparency online. Activision, Blizzard, and King are publishing their transparency reports for 2025 in compliance with Article 15 of the DSA.
