- C. Proof of Loss. Written Proof of Loss must be sent to **Us** within ninety (90) days of the **Covered Loss**. Failure to furnish Proof of Loss within such time will neither invalidate nor reduce any claim if it was not reasonably possible to furnish the Proof of Loss, and the proof was provided as soon as reasonably possible but (except in case of the absence of legal capacity of the claimant) no later than one (1) year from the time proof is otherwise required under the **Policy**.

SECTION X - PAYMENT OF CLAIMS

- A. Time of Payment. **We** will pay claims for all **Covered Losses**, other than **Covered Losses** for which the **Policy** provides any periodic payment, as soon as **We** receive written Proof of Loss. Unless an optional periodic payment is stated or chosen, any **Covered Loss** to be paid in periodic payments will be paid at the end of each four-week period. The unpaid balance, which remains when **Our** liability ends, will then be paid when **We** receive the proof of **Covered Loss**.
- B. Who We Will Pay.
1. Loss of Life of **You**. **Covered Losses** resulting from **Your** death are paid to the named beneficiary at the time of death. If there is no beneficiary named or the named beneficiary predeceases or dies at the same time as **You**, **We** will pay the benefit to the beneficiary named by **You** for the **Policyholder's** Group Life Insurance policy. If there is no beneficiary named by **You** for the **Policyholder's** Group Life Insurance policy, or the named beneficiary predeceases or dies at the same time as **You**, **We** will pay the benefit to **Your** survivors in the following order:
 - a. **Your** legally married **Spouse/Domestic Partner**;
 - b. **Your Dependent Child(ren)**;
 - c. **Your** parents;
 - d. **Your** brothers and sisters;
 - e. **Your** estate.
 2. Loss of Life of a **Covered Person** other than **You**. **Covered Losses** for the death of a **Covered Person** other than **You** will be paid to **You**. If **You** pre-decease or die at the same time as the **Covered Person** other than **You**, the benefit will be paid to the beneficiary unless the beneficiary designation has not been made or the beneficiary is no longer living at the time of death. In such case, the benefits will be paid to **Your** estate.
 3. All Other Claims. Benefits are to be paid to the **Covered Person**. He or she may direct in writing that all, or part of the Accident Medical Expense Benefit, if applicable, will be paid directly to the party who furnished the service. The direction may be changed by the **Covered Person** at any time up to the filing of the Proof of Loss.
- C. Physical Examination and Autopsy. **We** have the right to examine a **Covered Person** when and as often as **We** may reasonably request while the claim is pending. Such examination will be at **Our** expense. **We** can have an autopsy performed unless forbidden by law.
- D. Choice of Service Provider. The **Covered Person** has the sole right to choose his or her **Physician** and **Hospital**.
- E. Payment of Benefits to the Texas Department of Human Services. All benefits paid on behalf of the **Covered Person's Dependent Child(ren)** under this **Policy** must be paid to the Texas Department of Human Services whenever:
1. The Texas Department of Human Services is paying under the Human Resources Code, Chapter 31 or 32, which is the financial and medical assistance service program administered pursuant to the Human Resources Code; and
 2. The parent who purchased this **Policy** has possession or access to the **Dependent Child(ren)** pursuant to a court order, or is not entitled to access or possession and is required to pay child support; and
 3. We receive written notice affixed to the insurance claim, when the claim is first submitted, which states that all benefits paid pursuant to this provision must be paid directly to the Texas Department of Human Services.

SECTION XI - GENERAL POLICY CONDITIONS

This section applies to all Hazards, Coverages and Benefits unless otherwise stated.

- A. Beneficiaries. **You** have the sole right to name a beneficiary. The beneficiary has no interest in the **Policy** other than to receive certain payments. **You** may change the beneficiary at any time unless **You** have assigned the interest in the **Policy**. In such case, the person to whom **You** have assigned the interest in the **Policy** may have the right to change the beneficiary. Consent to a change by a prior beneficiary is not needed unless the previous beneficiary was designated as irrevocable. Any beneficiary designation must be submitted to **Us** in writing.

- B. Change or Waiver. A change or waiver of any terms or conditions of the **Policy** must be issued by **Us** in writing and signed by one of **Our** officers. No agent has authority to change or waive **Policy** terms or conditions. A failure to exercise any of **Our** rights under the **Policy** will not be deemed as a waiver of such rights in the same or future situations.
- C. Clerical Error. A clerical error or omission will not increase or continue **Your** Coverage, which otherwise would not be in force. If **You** apply for insurance for which **You** are not eligible, **We** will only be liable for any premiums paid to **Us**.
- D. Suit Against Us. No action on the **Policy** may be brought until sixty (60) days after written proof of **Covered Loss** has been sent to **Us**. Any action must commence within three (3) years of the date the written proof of **Covered Loss** was required to be submitted. If the law of the state where the **Covered Person** lives makes such limit void, then the action must begin within the shortest time period permitted by law. In those states where binding arbitration is allowed, binding arbitration will supersede this provision.
- E. Time Limit on Certain Defenses. In the absence of fraud, statements made by the **Policyholder** or a **Covered Person** are deemed representations and not warranties. No such statement will cause **Us** to deny or reduce the benefits due under the **Policy** or be used as a defense of a claim, unless it is contained in a signed written application. After two (2) years from the date coverage starts no such statement (except age) will cause the **Policy** to be contested.
- F. Arbitration. Any contest to a claim denial under the **Policy** will be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. The arbitration will occur at the offices of the American Arbitration Association nearest to the **Covered Person**. The arbitrator(s) will not award consequential or punitive damages in any arbitration under this section.

This provision does not apply if the **Covered Person** is a resident of a state where the law does not allow binding arbitration in an insurance policy, but only if the **Policy** is subject to its laws. In such a case, binding arbitration does not apply. This provision bars the institution of lawsuit by the **Covered Person**.
- G. Misstatement of Age. If the age of the **Covered Person** has been misstated, **We** will adjust the benefits under this **Policy** to those that would be applicable at the correct age.

**IMPORTANT INFORMATION ABOUT COVERAGE UNDER
THE TEXAS LIFE, ACCIDENT, HEALTH AND HOSPITAL SERVICE INSURANCE
GUARANTY ASSOCIATION**

Texas law establishes a system, administered by the Texas Life, Accident, Health and Hospital Service Insurance Guaranty Association (the "Association"), to protect policyholders if their life or health insurance company fails to or cannot meet its contractual obligations. Only the policyholders of insurance companies which are members of the Association are eligible for this protection. However, even if a company is a member of the Association, protection is limited and policyholders must meet certain guidelines to qualify. (The law is found in the *Texas Insurance Code*, Article 21.28-D.)

BECAUSE OF STATUTORY LIMITATIONS ON POLICYHOLDER PROTECTION, IT IS POSSIBLE THAT THE ASSOCIATION MAY NOT COVER YOUR POLICY OR MAY NOT COVER YOUR POLICY IN FULL.

Eligibility for Protection by the Association

When an insurance company which is a member of the Association is designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

- **residents of Texas** at the time that their insurance company is impaired;
- **residents of other states**, ONLY if the following conditions are met:
 - 1) the policyholder has a policy with a company based in Texas;
 - 2) the policyholder's state of residence has a similar guaranty association; and
 - 3) the policyholder is *not eligible* for coverage by the guaranty association of the policyholder's state of residence.

Limits of Protection by the Association

Accident, Accident and Health, or Health Insurance:

- For each individual covered under one or more policies: up to a total of \$500,000 for basic hospital, medical-surgical, and major medical insurance, \$300,000 for disability or long term care insurance, or \$200,000 for other types of health insurance.

Life Insurance:

- Net cash surrender value or net cash withdrawal value up to a total of \$100,000, under one or more policies on any one life; or
- Death benefits up to a total of \$300,000 under one or more policies on any one life; or
- Total benefits up to a total of \$5,000,000 to any owner of multiple non-group life policies.

Individual Annuities:

- Present value of benefits up to a total of \$250,000 under one or more policies on any one life.

Group Annuities:

- Present value of allocated benefits up to a total of \$250,000 on any one life; or
- Present value of unallocated benefits up to a total of \$5,000,000 for one contract holder regardless of the number of contracts.

Aggregate Limit:

- \$300,000 on any one life with the exception of the \$500,000 health insurance limit, the \$5,000,000 unallocated group annuity limit.

Government Plans:

- Present value annuity benefits, in aggregate, up to a total of \$250,000 including net cash surrender and net cash withdrawal values for individuals in a plan established under sections 401, 403(b), and 457 of the Internal Revenue code.

These limits are applied for each insolvent insurance company.

THE INSURANCE COMPANY AND ITS AGENTS ARE PROHIBITED BY LAW FROM USING THE EXISTENCE OF THE ASSOCIATION FOR THE PURPOSES OF SALES, SOLICITATION, OR INDUCEMENT TO PURCHASE ANY FORM OF INSURANCE.

When you are selecting an insurance company, you should not rely on coverage by the Association. For additional questions on Association protection or general information about an insurance company, please use the following contact information.
