

COVID BENEFIT RESOURCE GUIDE FOR U.S. FULL-TIME EMPLOYEES

Your health and safety remain our top priority. As we prepare to return to the office, we are highlighting some available resources you can access immediately to help you care for yourself and your household as well as manage your mental wellbeing.

COVID-19

- [Buoy Health](#) offers you **clarity and peace of mind with the COVID-19 Symptom Checker** which is based on current CDC guidelines and provides direction on the next steps based on your results.

- Visit [Castlight](#) for additional COVID-19 resources, including how to find the closest vaccination and testing sites near you.

Note: As always, if you are experiencing an emergency, call 911 immediately.

Medical Coverage

- **Collective Health Medical Plan (CDHP or PPO 500)** – If you have this plan, the costs of testing and treatment related to COVID-19 will be fully covered. As always, you can access your ID cards electronically by logging into the [Collective Health member portal](#) or by downloading the app. For questions, contact a Member Advocate at 1-844-803-0210.
- **Kaiser Medical Plan** – If you have this plan, there is no cost for medically necessary COVID-19 screening and testing including the visit, associated lab testing, and radiology services in a plan hospital, emergency or urgent care setting, or medical office. Call the advice number on your medical card to schedule a telephone or video appointment with your doctor. You can also visit the Kaiser [website](#) to learn more about how to protect yourself and get care.
- **Centivo Medical Plan** – If you have this plan, the costs of testing and treatment related to COVID-19 will be fully covered. Login to the Centivo app or member portal at [Centivo](#) to find care or access your ID cards. Pharmacy benefits are managed by WithMe Health and you are automatically enrolled and have access to both retail and mail-order benefits. For questions, contact Member Care at 1-833-666-1322.

Telemedicine

- [Doctor On Demand](#) allows you to connect (within 15 minutes) with a board-certified doctor via video doctor visits. Doctors can diagnose, treat, and write prescriptions for most non-emergency medical conditions. There is no cost for Centivo or Collective Health members on the PPO 500 or In-Network plan.

and \$49 on the CDHP; costs are fully covered on all Collective Health plans for care related to COVID-19. Not available if you're a Kaiser member. Download the app (for [iPhone](#) or [Android](#)) or visit the [website](#) for more information).

Pharmacy – Collective Health Medical Plan members

- **[CVS](#)** We encourage you to refill any eligible long-term maintenance medications up to your allowed maximum quantity. In addition, CVS Pharmacy will waive charges for 1 to 2-day home delivery of most prescription medications; this is a convenient option to avoid coming to the pharmacy.
- **[Rx Savings Solutions](#)** is a pharmacy tool that can help you save money on prescription drugs, by automatically alerting you with an email or text if you are paying too much for your prescription. To get started, register on the Rx Savings Solutions [website](#).

Mental & Physical Wellbeing Support

Beyond healthcare access and coverage, we recognize that this unique situation may present additional challenges like caring for children, sick family members, and maintaining your general physical, mental and household health routines. Please take advantage of the resources listed below:

- **[Spring Health](#)** provides mental health therapy that begins with a mental health online assessment designed to find the right care for each participant and helps track progress. Services include a dedicated personal Care Navigator, a licensed clinician, will support you by explaining the many options within Spring Health, giving advice, connecting you to a therapist, and setting appointments for you following your online assessment.
- **[Doctor On Demand](#)** allows you to connect with a board-certified psychologist or psychiatrist (typically within 1-5 days) and manage medications via tele-video. Visits are \$20 for Centivo and Collective Health members on the PPO 500 or In-Network plan and the prices vary for the CDHP medical plan. Not available if you're a Kaiser member. Download the app (for [iPhone](#) or [Android](#)) or visit the [website](#) for more information).
- **[Included Health](#)** is a free service that gets you access to a network of top medical professionals who can review a recommended course of treatment or diagnosis you've received to give you a second opinion. You can connect with them virtually, share records, and feel confident about your health! Available to Centivo and Collective Health members.
- Healthy Habits through **[Castlight](#)** can help you track everyday habits to enhance your wellbeing. Habits include practicing deep breathing, reading, disconnecting from technology, drinking water, and more. Castlight eligible employees and spouses/DP's gain access to Healthy Habits through the Castlight app ([iPhone](#) or [Android](#)).

- **Total Brain** can help you get ahead of the mind's natural response to fear and uncertainty. This benefit provides personalized mind training exercises to boost your emotions and improve your ability to remain focused, NeuroTunes-music designed to calm your mind, Cognitive Behavioral Therapy (CBT), and a library of meditation and breathing exercises, all available through the Benefits@Play program in the Castlight app ([iPhone](#) or [Android](#)).
- **Gympass** is a holistic, digital wellness platform that offers 7 discounted plans, from \$10-\$240/month.
