

Get a doctor who gets you.

Included Health matches you with top doctors, world-class specialists, and mental health care experts at no cost to you.

We take the hassles and guesswork out of healthcare by giving you personalized recommendations for doctors. After evaluating your individual health needs, as well as a provider's specialty and expertise, our team shares with you recommendations for doctors, specialists, therapists, and more.

How do I get started:

- 1 **Download the Included Health app** to access your account.
- 2 **Message a care coordinator** and request to be paired with a provider.
- 3 **Get personalized recommendations** for doctors, specialists, mental health providers, and more.

Get answers to urgent, everyday, and mental health care questions.

How we choose our recommended primary care providers:

- We look for doctors who are in-network and nearby to save you time and money.
- We review for board sanctions and unsafe practice patterns.
- We rank our recommendations by experience, training, and practice quality.
- We generate best matches for you to make sure you get high-quality care that fits your needs.
