What They Said

"The best part was RxSS contacted ME to tell me I could be saving."

RxSS member Laura saved on a maintenance medication that was 83% of her monthly prescription costs

How It Worked

- 1** He received an email from RxSS with a personalized savings alert.
- 2** After activating his RxSS account, he clicked one button to make the switch.
- 3** RxSS contacted his doctor to get approval and took care of all the details.

How Can You Save?

RxSS finds all the medication options for your conditions. You and your doctor decide what's best for your health and budget. Here are just a few ways you and your family might be able to save money:

- **Generic forms** of name-brand drugs
- **Better prices** through different pharmacies or mail-order
- **Equally effective medications** that cost less than your current prescription
